

FULL GOSPEL TABERNACLE

September 5th, 2010

I lift up my eyes to the hills—where does my help come from? My help comes from the Lord, the maker of heaven and earth.

Psalm 121:1-2(NIV)

Hills & mountains remind us of how small and insignificant we are.

They also remind us, of how small and significant they are in comparison to their Maker. And God, the Maker of the heavens and earth thinks you are so important that He is ready and willing to help you with what you have going on today. So, with that in mind, what do you need God's help with today?

Welcome to our Service Today!

If you are visiting with us today we want to Welcome you and ask that you please fill out a blue card in the pew back in front of you.

This will give us the opportunity to contact you.
